DIRECTORY OF
PRODUCTS AND
SERVICES

Proforma: One Source. Infinite Resources.

As a businessperson, you know how important making the right connections can be. When you partner with Proforma, a leading provider of graphic communications, you connect to the power of a large North American organization with the responsive service of a local business.

For more than three decades, we've been the one source for all our clients' promotional products, printing services, business documents and eCommerce solutions. With our vast experience and network of infinite resources, Proforma delivers integrated solutions to help you build a successful business. When you partner with Proforma, you can trust that you've made the right connection.

Proforma: Integrated Solutions

As a full-service solutions provider, Proforma has assembled a complete offering of products and services to handle all of your business needs. From the development of forms and brochures to the execution of marketing campaigns and online stores, Proforma applies creativity and innovation to all of your business challenges.

Our breadth of services range from custom promotional products and print-on-demand programs to forms management and fulfillment services. Whether you are designing a direct marketing campaign, implementing an employee incentive program, producing your company's annual report or building your brand, Proforma helps you connect with your audience.
