

SAFETY IS JOB ONE

INCREASE ACHIEVEMENT AND RECOGNITION WITH AN AWARDS PROGRAM!

Did you know that employee recognition and achievements are rated high among company surveys? About 80% of employees would like to see more recognition or achievement offered to them.

LET PROFORMA SHOW YOU THE WAY!

We offer competitive programs to recognize those employees for safety on the job, years of service and sales incentive programs. In addition to our Awards Collection, we also offer lapel pins, rings, belt buckles, key rings, cufflinks, medallions and other corporate jewelry that can be branded with your corporate logo.
